## MOVE IN - MOVE OUT BULLETIN

---

---

This bulletin contains final set-up information for the 2009 Yacht Show at National Harbor. Due to space restrictions for vehicles during set up, it is imperative that exhibitors in tents and on land be ready to proceed into their designated spaces at the time allotted to them. If you are not ready to load at the allotted time, you will be taken only as time and space allows (this may mean a lengthy wait). All boats have been assigned slips. If you do not know your dock and slip assignment, please call the show office at 410-268-8828.

**PLEASE MAKE SURE YOU HAVE SUBMITTED THE FOLLOWING:**

Signed Contract  
Final Payment  
Exhibitor's Credentials Request  
MD Traders License or Exhibitor's Affidavit

Fax at show (May 28 - 31)	301-567-3057

# SHOW OFFICE

The Show Office will be located at 161 National Harbor Plaza (Building C). The Show Office telephone number is 301-567-3014 and the Show Office fax number is 301-567-3057. All calls should be made to that number starting Thursday, May 28. The Show will monitor VHF Channel 71.

# EXHIBITOR PARKING

A limited amount of Exhibitor parking is available on site. Three parking passes per Exhibitor may be picked up in the Show Office. Exhibitors displaying their passes may park in the Exhibitor lot at no charge. **This does not apply to parking garages. (Parking in garages is \$10.00 per day).**

For set up, the move-in coordinator will direct you to the appropriate location.

## TENT EXHIBITS

Because the majority of booth space is on the Pier, there is a very detailed move-in schedule. The move-in time is the time when you can drive your vehicle to your booth, off load then take your vehicle to the allotted parking area. You may continue to work on your display as long as necessary. **If you cannot move-in according to the schedule, please contact show management.**

Each booth exhibit must conform to the rented space assigned to it and must not obstruct adjoining exhibits. If standing backdrops are used, they must be no higher than 7' in height. Sides of displays cannot extend out more than 4' from the back of the tent and cannot exceed 7' in height. The remaining 4' along the sides of the booth cannot exceed 3' in height.
